The Rush County Drainage Board met on July 19, 2021 at 10:21a.m. in the Commissioner's Room of the Rush County Courthouse with the following present; Mark Bacon and Ron Jarman members; Marvin L. Rees, Surveyor, Ashley Perkins. Secretary and Leigh Morning, Attorney.

The minutes for the held on July 6, 2021 were approved and signed on motion by Ron, 2<sup>nd</sup> by Mark.

## **HUTCHINSON/OFFUTT TILE**

Mrs. Kathy Keane contacted the Surveyor and informed him that she thinks the county tile that runs through her property has been damage, which is causing flooding issues. Surveyor recommends installing a breather on the property line, when conditions allow, which will allow him to see the condition of the tile.

## **CARR/STANLEY**

Surveyor does not want to do an estimate on the open drain without getting a chance to look at it and get elevation shots. He showed the Board a guesstimate on the reconstruction of the open drain. Surveyor would rather do an estimate from the outlet of the open drain to the very top end of the tile and present that to the watershed.

## **GEISE/STEVENS**

Surveyor reminding the Board of the hearing at our next meeting on August 2, 2021 at 10:30a.m. Surveyor told the Board that the Wetland issues might not be a problem in reconstruction.

With nothing else to come before the Board, the meeting was adjourned on motion by Ron, 2<sup>nd</sup> by Mark. Motion carried.
